Support At Home

Apoyo en casa * Sipò Lakay

On a nightly basis--

Reading:

- independent reading; looking at books
- reading with a sibling and/or parent (loved one)
- listening & talking about what you read

Please don't stop reading together just because they've learned to read--it drives their development in so many ways!

Todas las noches--

Lectura:

lectura independiente; mirando libros
leer con un hermano y/o padre (ser querido)
escuchar y hablar sobre lo que lees

No dejen de leer juntos solo porque han aprendido a leer:
¡eso impulsa su desarrollo de muchas maneras!

Sou yon baz aswè--

Lekti:

lekti endepandan; gade liv
lekti ak yon frè ak sè ak/oswa paran (moun ou renmen)
tande ak pale sou sa ou li

Tanpri, pa sispann li ansanm jis paske yo te aprann li--li
kondwi devlopman yo nan anpil fason!

Support At Home

Apoyo en casa * Sipò Lakay

On a nightly basis--

Math/Science:

- flashcards
- counting objects
- finding and talking about math throughout their day (at the store, eating candy, telling time)
- encourage them to build and invent things

Todas las noches--

Ciencias Matemáticas:

tarjetas didácticas

contando objetos

encontrar y hablar sobre matemáticas a lo largo del día (en la tienda, comiendo dulces, diciendo la hora)

animarlos a construir e inventar cosas

Sou yon baz aswè--

Matematik/Syans:

kat flash

konte objè yo

jwenn ak pale sou matematik pandan tout jounen yo (nan magazen an, manje sirèt, di lè)

ankouraje yo pou konstwi ak envante bagay
